Terrific event

Hats off to Chris Brown and the organizers of the Black Ice Pond Hockey Tournament. Despite the challenges of the unseasonably warm – and then frigid – weather, it was a great event! The teams were able to get plenty of ice time, spectators saw some great hockey and there was a spectacular fireworks display and a roaring bonfire to keep us all warm. Plus, my husband got a chance to be a weekend warrior!

It was a perfect way to spend a winter weekend in Concord. I'm looking forward to next year!
