1883 Black Ice Pond Hockey Association

# 12th Annual Black Ice

The Black Ice Pond Hockey Championship and Winter Festival will be held January 27-29th, 2023 at White Park in Concord, New Hampshire.

Each year 80 teams play over 300 games in this 4 on 4 pond hockey championship, held in the city where organized hockey began in the U.S.

The Black Ice Pond Hockey Association, a non-profit entity started in 2010 created this event as a way to maintain and expand ice skating and recreational opportunities for the community as well as honor the rich heritage of hockey in Concord. The tournament's success allowed the association to give well over \$545,000 back to the community, in areas that are true to our mission. Some funds have gone to Concord Parks and Recreation for an outdoor skating location in the south-end at Rollins Park, maintenance on the pond at White Park, and the new multi-use skate house at White Park! Funds have also gone to local Youth Hockey programs, providing development resources for recruitment days and affordable equipment for entry players.

The Black Ice manages advertisements at the Everett Arena, Ice Den Arena, and Tri-Town Arena, some levels of arena advertisement allow opportunities to receive exposure at the Black Ice Pond Hockey Championship and Winter Festival along with exposure for 12 months at the Arena(s).
